“ *Chappia was the best friend of my mother, Love Hodo, who died September 11, 2014. When I was young, Mom and I would visit Chappia often, and, in recent years, when Mom became ill, I would take Chappia to visit.*

*Chappia was a loving and caring person, and our family will miss her.*

*You have our deepest sympathies.*

“ *As a child, Chappia taught me how to knit and crochet. Much later in life she taught me how to appreciate a good Rum.*

*I'll miss my friend.*

“ *My Dear Cousin,  
You reached up as far as you could and God reached down and brought  
you the rest of the way.*

*I love you and will always miss our late night talks.*

*Love is an image of God.*

*Your loving and brokenhearted Cousin,*
