

Jackie Lee

March 23, 1945 - March 24, 2020

Jackie Marie (Moore) Lee was born on March 23, 1945 in Jefferson City, MO to the loving parents of George Moore, Sr. and Lillie Mae (Love) Moore who both preceded her in death. Jackie's life was also graced in marriage to her second husband Richard Lee who also preceded her in death. She was the youngest of two (2) children who also preceded her in death: George Moore, Jr.

Jackie's spirited nature and generous heart served her well. She was an adventurer who was very active and always on the go. She loved going to the gym where she learned how to swim later in life and enjoyed her water aerobics! She acquired many friends who enhanced her existence. Her passion for music was inevitable. She didn't miss a beat in supporting her daughter's musical performances and anyone she knew personally that had a musical gift to share.

Jackie departed this earthly life on March 24, 2020 - the day after her 75th Birthday after a valiant and brave battle with Cancer. She is survived by two (2) children from her first marriage: Toni Elliott Bell and Charles (Chuck) Elliott, a son from her second marriage: Anthony (Tony) Lee, seven (7) grandchildren, one (1) great-grandson and a host of loving family members and friends.

“ Oh Toni! My heart so hurts with the passing of your Mom Jackie! I've only known her for the past few years, but many were the conversations we had. She joined our aquaclass after, she said, you insisted that she start working out. Well she was one of my favorite classmates and she shared all the love she had in her heart for you. We learned that we also shared a love for Jazz, and soon attended concerts together. I will so miss her. She was such a joy to be around and talk with on many subjects. I love me some Jackie!!! May God rest her soul, in Jesus' name.💔 Celeste Thomas Tukes and the Tukes family, Warren, Thaddeus and Candace

“ Ms. Lee was a resident at Highlands Tudor Manor since 4/28/2017. She was an great resident and funny. When she would come into the office we would just have great conversations about our families. The last conversation I had with her was when she completed her chemo and the nurses wanted her to ring the bell at the hospital she refused to share that moment with them because she didn't like how they treated her at times, but she said that when she got home then she rang that bell. Ms. Lee will be truly missed. Rest in peace and my prayers are with the family. Nicole Cunningham, Community Manager at Highlands Tudor Manor

“ I called Jackie Ms. Pace. She related a story to me about her experience with the TAP program, the cab service division of PACE. She said she was scheduled to go to a party one evening, she was dressed in her party dress as she continued to call for a cab which never came. She was always told that the cab was on the way. Jackie concluded that the drivers didn't want to come to her neighborhood. After that she would catch a cab on the street.

I truly miss this perky, vivacious, vibrant little person who could always lift your spirits. I am thankful that she chose to join St. Edmund after leaving St. Margaret. What a joy it was to know her. I thank God for sharing Jackie with us.

“ I met Jackie over 40 years ago when we worked together at London Memorial Hospital. We had lots of great times together. Jackie enjoyed coming to my church every second Sunday in April for our Seasoned Saints Service. I last spoke to her at the beginning of March when she called me by accident at 6:00 am. We laughed and talked about 2 hours. She was a very lovable and funny person. I called her Little Jackie because she was so short and I'm very tall. Rest well my friend!

I saw Jackie most Sundays at St. Margaret Episcopal Church for many years. She brightened the day by her smile, kindness and warmth. Her brightness now is home with God.

“ *Jackie and I were friends for 40+ years. The last few years we spent a lot of time together. We went to the Taste, the Bud Billiken parade, jazz concerts and stepping most of the time. We spent New Years eve 2019 together at her Church event then to the Casino with my brother. We cashed in our pennies and had about \$10 between us. We talked on the phone every morning around 6:30am. She was a good friend and I truly miss her. Elsa*

I met Jackie in water aerobic at LA Fitness: she possessed a contagious smile that spread to those around her making for a more enjoyable class. Her undaunting approach to life was extremely invigorating, and I was impressed with her spunk and determination. A ruggedly independent firecracker Jackie fearlessly rejected any imposition or violation of what she considered her "rights," and was by nature a staunch fighter.

Jackie loved to dance and during various after class walks, lunches, and numerous visits to the phone company, she would joyously share accounts of her latest "stepping" excursion. She was passionate about learning to swim and we agreed to do an unspecified number of laps together once she had achieved her goal.

An avid sports fan in general, but a die-hard supporter of the Chicago Bears and the Golden State Warriors, all of which she and I had endless telephone conversations. We not only keep one another advised as to game schedules and viewing times, but also projected and debated out comes before, during and after, the events.

Jackie Lee was a loving mother, doting grandmother, and dear friend who will be deeply missed by all.
