“ *We have so many wonderful memories of our Cousin Josephine, a woman of God.*

Josephine had such a beautiful, quiet, humorous spirit and she quietly kept you laughing.

One of our most fondest memory was when she made the trip all the way from Chicago to South Alabama at the ripe old age of "17" just to share in Reginald's (1st Cousin) 70th Birthday Tribute.

That was a special time for ALL of us to show our love for family. It was an HONOR to have Cousin Josephine there showing love ... and SHE really had a wonderful time.

Thank You Lord for giving us Cousin Josephine to us as family, she was truly a BLESSING.

The "Buffy" Stewart Family is sharing in your sadness on the loss of an amazing woman and mother. I remember many of her words of wisdom and facial expressions to match that she gave to both Geraldine and I during / after college days and also prior to our weddings. My family is keeping all the Johnson Family and extended friends in prayer.
