

Mr. Preston Forte' III

September 20, 1968 - December 6, 2020

Preston Forte, III, affectionately known to family as (June) was born on September 20, 1968 in Chicago, IL to Mrs. Yvonne Griglin Forte and the late Mr. Preston Forte, Jr. Our beloved June departed this life suddenly on Sunday, December 6, 2020 in Indianapolis, IN. June grew up in Chicago and attended Harlan Community Academy High School. He then relocated to live with his grandfather on the family farm in Eufaula, AL and attended Wallace Community College where he obtained an Associates Degree in Business Education in September 1987. Then he attended Athens State Community College in Athens, AL to earn a B.S. in Business and Finance and was a member of Tau Kappa Epsilon social fraternity.

Preston dedicated his life to being a man of God and being of help to those in need. He was a faithful member of Trader's Point Christian Church. He loved making people feel at ease whether it was having a causal conversation or making them double over in laughter. June also had a passion for real estate and obtained his Brokers License in the state of Indiana in 2009. He had over 20 years of passion and experience with property investments and could rehabilitate a house and estimate its resale value just based off a glance.

Preston was a wonderful father who brightened the lives of those around him with his infectious laughter and love. He leaves to cherish his memories a loving mother (Yvonne); a daughter, Kara-Lynn; a

grandson (Maurice II); 2 sisters (Michelle and Kimberly); 2 nieces (Kayla and Kaya), and 2 grandnephews (Robert Jr. and Karter). He is also survived by a host of uncles, aunts, cousins and wonderful friends.

To My Nephew, My Laughing Buddy, My "Ole" roomy. I never thought the days we had on the farm together would someday be my most memorable. You always showed me so much love and appreciation, even if it was simply to get another one of my "homemade biscuits." I will miss you, but will never forget the joyous times we spent together.....Love, Auntie Deenie/Kranulett

Dear Nephew - it is still unbelievable that you have left the family so soon. I recall when you were born and I was about 5 years old and I just wanted to play in your pretty head of hair. I had never seen hair like yours as a baby when I was 5. My how the years have far gone and there were so many conversations we did not have an opportunity to have about being a business owner. I love you and there is an emptiness in my heart right now so we just pray for God's strength and His mercy to help us through. We will keep the memories alive and your legacy being our family namesake (Preston III). I love you and will miss you. Antie Kathy.

*Dear June(Nephew), I can't come to grasp the idea that you have passed away. I can recall the days when you, Kim, Michelle, Keith Griglen, and I used to run around your Grandaddy's (Daddy's)house. We didn't have a care in the world. Those were the good times. June , you were all about the business of bettering yourself. I saw that in you in your college days. You will be missed but never forgotten. Love you nearly June. Gone to soon .

Preston Forte' III this doesn't even seem real. You were one the best friends that I've ever had. We talked about everything and laughed sooo much. You mentored my son and showed up for him....I'm eternally grateful for this. You are one of a kind and I know you are celebrating in heaven but you are so loved and so missed here. I will see you again sir and we will carry on with more giggles.
