~ To My Family and Friends ~

I have fought a good fight, I have finished my course, I kept the Faith and now the time has come to say farewell for now, for we will meet again. I have gone

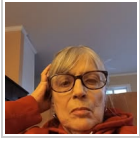

where there is peace so don't weep and morn for I've just moved to another home. My spirit will be with you always so you will never be alone. I've gone to be with my mother and other loved ones who went before me in our heavenly home. "Amen"
